CFES School of Distinction

09/04/2026

Dear Parents / Guardians

We hope you all had a restful and enjoyable Easter break. Since returning, we have been busy making further improvements to the school and were also delighted to welcome our new community dog, Grayson.

One of the most significant recent developments is the installation of our new electric gates. These will greatly enhance the safety and security of our school, while also allowing us to make better use of the campus and its facilities. As a result of this change, it will no longer be possible to drop students directly within the school grounds, as the gates will remain closed and there is very limited space for turning outside. We ask that all parents drop off and collect students at Spa Hill, the pedestrian gate will be open for the students at drop off and home time.

As you know, all students were sent home with a sponsorship card for the Mercy Mile, which will take place on Friday, 1st May. We are hoping that each family might aim to raise €50, contributing towards our overall target of €25,000. These funds will go directly towards installing a new floor in our PE hall and repainting the space.

We are asking for the support of our school community with this project, as funding for this work is not available from the Department. The PE hall is a vital space for student wellbeing and activity, and these improvements will greatly enhance it, especially alongside our recently installed gym.

Thank you, as always, for your continued support.

Michelle O'Kelly

Principal

...focusing on each and every student reaching their full potential
