**CFES School of Distinction**

Dear Parent / Guardian

We are writing to you today to invite you to an information evening for the parents of our incoming first year students. The transition to second level can be an exciting and rewarding time for young people, however we are aware that it can be a large unknown for a lot of parents. We wanted to meet with you to discuss important dates, school procedures, uniforms and many other areas that you may wish to discuss.

We propose to have an information session on the evening of Thursday, 29th February 2024 at 18:00 pm at Mercy, Inchicore. Ms Healy, our Home School Liaison teacher and members of the transitions team will also be in attendance. The information provided on this night is invaluable and helps to set your son or daughter up for success in their new school.

In advance of this meeting can you please note the following dates for the Assessments of our incoming group. Assessments will take place on May 8th and 9th 2024 and students will come directly from our main feeder schools, separate arrangements will be made for schools with smaller numbers of students. We are conscious that students in Inchicore National School will be making their Confirmation on May 9th and so propose that they complete the testing on May 8th, however if this is not practical we can discuss it on the night.

**When: Thursday February 29th  
18:00-19:00pm**

**Where: Mercy Secondary Inchicore**

We look forward to meeting with you on the 29th February.

Kind Regards

Michelle O'Kelly  
Principal

James Hanrahan  
Deputy Principal

Thomas Davis Street West, Inchicore, D08 Y4X0.
