Dear Parents/Guardians,

I hope this letter finds you well.

Dear Parents and Guardians,

I hope this message finds you well.

For the next two weeks, the school gates will remain closed during the school day. This is a temporary measure we are taking to enhance safety on the school grounds, particularly in relation to vehicles entering at speed near the yard and entrances.

We want to ensure that students can move safely and freely around the premises at all times. By keeping the gates closed, we can better manage access to the school and maintain a calm and secure environment for everyone.

Please note the following practical points:

- Parents and guardians will not be able to access the yard by car at the end of the school day. We ask that you park on Spa Road or near the green if you are collecting students.
- Students arriving after 9:15 a.m. may need to wait outside the gates until a staff member is available to open them, so we strongly encourage all students to arrive on time.

We appreciate your understanding and cooperation as we implement this precaution. The gates will be reopened once this temporary safety measure concludes.

Thank you, as always, for your continued support in keeping our school a safe and welcoming place for all.

Regards
James Hanrahan
Acting Principal
