**CFES School of Distinction**

January 22nd 2026

Dear Parent / Guardian

We are writing to you with some key dates for your son / daughter over the next few months.

Date	Event
Mock Exams	February 4th -13th 2026 (See timetable below)
3rd Year Parent Senior cycle information session	24th February 2026 4pm-6pm
Junior cycle exams	June 3rd (Wednesday) - June 12th (Friday)

## Mock Examinations

The mock examinations will run as closely as possible to the official Junior Cycle examination timetable. The full timetable is included below.

All State Examination rules will apply, including the requirement to wear full school uniform each day. Any disruption during exams may result in removal from the examination centre and cancellation of that exam. A detailed breakdown of procedures will be issued closer to the time.

Students are only required to attend school for examinations in subjects they are studying.

To support students in their preparation, study skills seminars have been delivered to all students, and parents were invited to attend a recent study morning. Homework Club is also available every Monday, Tuesday and Thursday, providing a supervised space for students to study in preparation for the exams.

## Senior Cycle Information Night

On Tuesday, February 24th, we will host an information evening for 3rd year parents to discuss senior cycle options, including Transition Year, LCA, and the Leaving Certificate.
